

Myanmar Koei International is actively seeking a Fresher Civil Engineer to join our dynamic engineering department. This role will involve close collaboration with our infrastructure team.

Job Title: Civil Engineer

Job Descriptions

- Perform structural calculations using specialized software (training will be provided by the company).
- Prepare and revise drawings with proficiency in AutoCAD.
- Learn and adapt to new technologies and software required for the role.
- Assist senior engineers as needed.

Job Requirements:

- Bachelor's degree in Civil Engineering.
- Proficiency in Microsoft Office applications, email communication, and AutoCAD.
- Strong command of both spoken and written English.
- Ability to work collaboratively with employees at all levels, including management.
- Willingness to learn new technologies and software as required for the role.

Deadline of application: 24 January 2025

Please send your application and updated CV to recruitment@myanmar-koei.com.
